Dear Sir

I am not a buyer
as formerly, being older and
have an invalid wife, which
has taken the steam out of
me, as respects such hobbies,
impressing such terrible pain
into my joints are all I buy.
Could you describe the medals
done, size in 16^{ths} of an inch,
metals and prices & I would
then say? Have you sent any
to any one else? I ought tell
you eligible men.

Yours faithfully

W. J. Huguenin

I will give you an instruction - if the Green arrow 'Halls of the old castle' -

Dear Mr Chapman

Sorry I do
not need any of the enclosed,
not being a buyer now as
formerly, but my friend
Mr. H. Sadler, of Freeman's
Hall, Great Queen St. (off
the Holborn) might be glad
of some of them. Use my
name to him if you care to
call tomorrow morning early.

all find wishes

Yours faithfully

-Dadson at 33 Golden Square, Regent
Square, as he may like some for the
Supreme Council 33rd Aug I told
you about James Dainton Esq
